

Oximony® – Pro-Taurine longevity hero ingredient

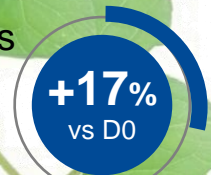

Fatigue

14 days

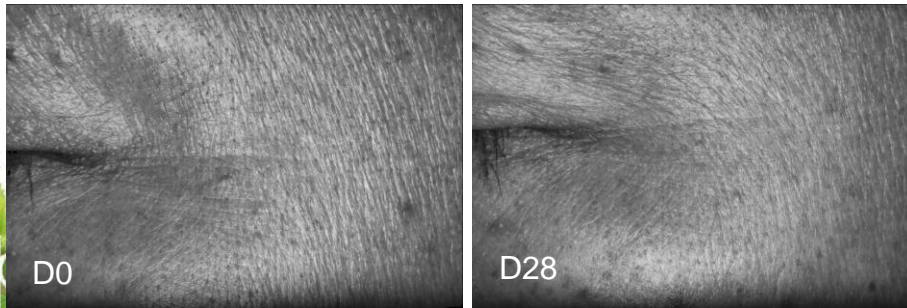

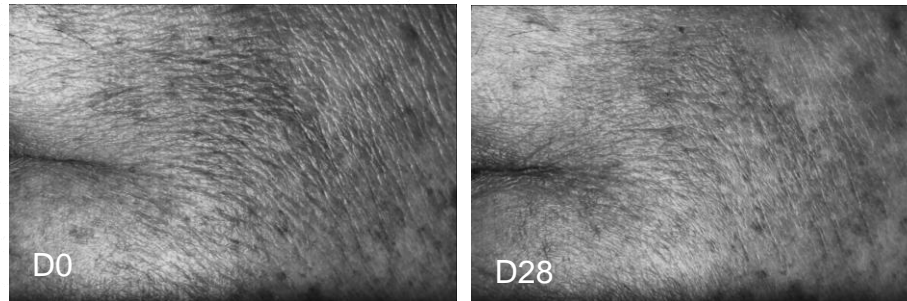

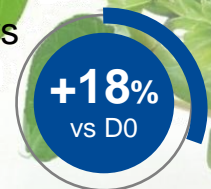

Firmness

28 days

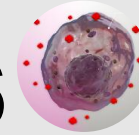

Glow

56 days

Result examples (two volunteers, crow's feet area/temples)

Oximony® strengthens **16** skin-own anti-oxidative defense mechanisms

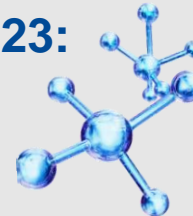

Oximony® helps delay **7** markers of cellular senescence

Senescence: biological aging
In vitro, 0.05% Oximony®

New discovery 2023:
Taurine corrects multiple hallmarks of aging

Oximony® boosts taurine level by **38%**

Description:

Natural extract of sustainably sourced and FairWild certified *Lysimachia christinae* characterized by polyphenols.

Dose of use:

0.25%

Available *in vivo* studies:

- Skin glow (Glossimeter)
- Firmness (Indentometer)
- Skin fatigue (Cutometer)

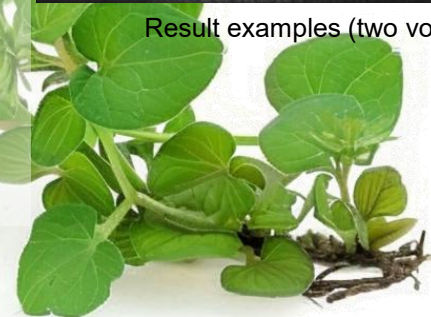

Formulation notes:

- Recommended pH: 4-7
- No major incompatibilities

INCI:

Maltodextrin (and) Lysimachia Christinae Flower/Leaf/Stem Extract

Gel cream with 0.25% Oximony®
All results are significant vs D0 and placebo
Devices used:
Cutometer, Indentometer, Glossimeter

Suitable for vegan concepts

Preservative-free

Short INCI

100% natural origin

Cosmos approved

Sustainably sourced
